

SHRISHTI INTERNATIONAL SCHOOL

ACADEMIC / ACTIVITY CALENDER September (Skill of acceptance) 2017-18

Dear Parent,

In the previous months we focused on the creative skills of the students. Now it's time to make them more responsible and encourage their skill of acceptance. These are a day's children are not ready to accept their failure. We believe that first step of education starts from school. Children accept what their teachers Teach and follow that also. Let's try to make the children more creative, motivated and more honest. Acceptance, tolerance and forgiveness are life altering lessons

Jessica Lange.

29 Sep	Dussehra Celebration

Skills for the Month:

This is the month when parents will be quiet busy in their SA 1. So, more focus will be given on their educational skills. There will be speech competition to enhance the confidence of the students. They will get a chance to remove the stage fear in them by Public speaking activities.

Parentip Tip of the Month:

Speak and make your child believe in this :
Much like Charity begins at Home, Sanitation and Hygiene starts with You and Me.
