

SHRISHTI INTERNATIONAL SCHOOL
ACADEMIC / ACTIVITY CALENDER November (World) 2017-18

Dear Parent,

The highest education is that which does not merely give us information but makes our life in harmony with all existence.

- Rabindranath Tagore

Annual Day forms an integral part of our school activities. It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and co-curricular achievements. It is a moment of celebration where each and every child gets an opportunity to participate on the stage. It is a joyous occasion, which we all look forward to. For teachers it is a great opportunity, to showcase the talents they have nurtured in the children, and for the parents it is a matter of great pride to watch them on stage.

In spite of so many activities going on the students academic goals are also taken care of. Annual day preparations also enhances the learning in the child in many different ways.

We would request you to send us any accomplishment of your child within school or even outside school for the session 2017-18.
